Admission Tickets

(Only for use by Saz's Hospitality Village Guests)

Two Great Ways to buy your admission tickets through Saz's Catering

1.) Order before June 1st, 2009

This is the best way to buy. Place your ticket order in advance prior to June 1st and pricing is \$6 per ticket to the Fair (ages 12 and up- see below for children's pricing). These tickets are not available on consignment, so be sure to order just what you're sure you'll need. \$6 deal tickets must be paid for in advance, in addition to your event deposit.

2.) Order after June 1st, 2009

You can still save!! Pricing is \$7 per ticket to the Fair (ages 12 and up- see below for children's pricing). These tickets can be returned for a refund (See below regarding policies for this). FINAL ticket count through Saz's is required 10 working days prior to State Fair, along with your final guest count. Any additional tickets needed after this date, must be purchased directly through State Fair.

3.) Child Admission

Child Admission is always \$3 per child and can be ordered at any time. Children are ages 7-11. 6 & Under are Free

4.) Consignment Policies

- a.) Tickets MUST be returned to the manager in charge of your event on the day of your event. Late returns are not able to be processed.
- b.) Only the \$7 tickets can be returned to Saz's for a refund. \$6 tickets are not eligible.

Prices above are based on State Fair market pricing and are subject to change.
