TENT & SPACE RENTAL PRICING

We have different tent configurations for you to choose from for your event. Layouts can be faxed or emailed to you showing each tent area available and their corresponding seating capacity. We have five main tents (color coded for your convenience) available to rent (seven total spaces). Your group size may determine the size of tent needed to accommodate your number of guests. Actual tent location is determined two weeks prior to your event.

SPACE RENTAL

Tents are only available to rent for day or night time slots (5 hour slots) or both. Tents are not available for "portions" of time slots. If you need additional time we would charge accordingly. Please ask your representative for a tent layout that shows possible configurations. Pricing is listed below along with maximum tent capacity for each tent.
